Tom

As follow-up to our August 27 meeting, SLLI (formerly Rhone-Poulenc) is requesting a meeting with you, Jim Anderson, Matt McClincy, Eric Blischke, and Chip Humphry at 10:00 AM PDT on Friday September 16. As you know, the primary purpose for the meeting is to discuss the dioxin/furan fingerprints in the river, and the need to address potential data gaps. I realize that coordinating calendar schedules is a challenge, but could you please try to make this specific date work for you, Jim, and Matt?

Also, I left voice mail for Chip Humphrey, but did not have his or Eric's email addresses. Therefore, if possible, would you please forward this email to Eric and Chip (with cc: to me) and request they respond back to my email address or my cell phone 503-936-9798 to confirm their availability for this ver important meeting. Details for the agenda will be forthcoming; but, we wanted first to lock in the calendar date for the meeting.

Thanks
Roger
